Name: _____ Physical Address: _____

Phone: _____ Mailing Address: _____

E-mail: _____

The Amity Fire District Tree of Giving is designed to supplement your gifts (toys and clothing) to children 12 and under. Often our community is generous enough to provide for children up to 16 years old. Gifts are not guaranteed for children over 12 years old. A completed application does not guarantee gifts will be delivered.

By signing this application you acknowledge legal guardianship over the children listed on the application and understand the Amity Fire District Tree of Giving is designed to supplement your own personal gift giving efforts. You also agree to not apply for gift assistance through other community programs for the children listed below without notifying the Fire District program. You also agree to have an adult over 18 at home when the gifts are delivered (scheduled for December 23rd between 6pm & 9pm). If an adult won't be home during this time, please contact the Amity Fire District Toy Program before December 15th to make alternative arrangements (503-835-2311; volunteers@amityfire.com).
